CERTIFICATIONS

Virtual Internship– Python Programming

Virtual Internship–Front-End
Development

Smart internz on cyber Security

Python

Soft SKILLS

- Problem Solving
- Attention to Detail
- Communication Skills
- Time Management
- Positive Attitude

Technical Skill

- Frontend: HTML, CSS, JavaScript, React.js
- Responsive Design: Mobile-first UI, Cross-browser compatibility
- Tools & Version Control: Git, GitHub
- Backend Basics: Python, API Integration

Frontend Developer (Fresher) with strong fundamentals in HTML, CSS, and JavaScript, and hands-on experience building responsive, real-world web applications using React.js. Experienced in API integration, clean UI development, and solving frontend challenges with attention to detail. Passionate about learning and building scalable products.

EDUCATION

- **GIET ENGINEERING COLLEGE, Rajahmundry**
B.TECH
2020 - 2024
Computer Science and Engineering CGPA : 7.01
- **M.P.S. JUNIOR COLLEGE , Mandapeta** **Intermediate–MPC**
2018 - 2020

PROJECTS

- **EV Charging Points & Online Assistance System**
 - Built a real-world web platform using Python (Django), HTML, and CSS to help EV users locate nearby charging stations using Google Maps API and access real-time assistance.
 - Focused on responsive UI and smooth user interaction.
- **Battery Management System – React**
 - Developed a React-based web application for managing battery projects with features such as project lifecycle tracking, user registration, and role-based access control.
 - Integrated frontend components with backend APIs for secure, real-time data handling.
 - Built responsive and user-friendly UI inspired by modern AI platforms, focusing on usability, scalability, and clean design.
- **Herbal life – Wellness Website**
 - Built a responsive wellness website using HTML, CSS, and JavaScript with clean UI design and interactive features to improve user engagement across devices.
- **Mana Rajahmundry – Local Directory Website**
 - Developed a real-world local directory website with category-based navigation, improved usability, and responsive design.
